

Snow Queen Crowned at School Dance

To the applause of about 350 students and parents 17 year old Lynda Holm, right, of Champion was crowned 1966 Snow Queen of County Central High School at the dance named in her honor Friday, Feb. 18. Susie Robertson, last year's Snow Queen is shown crowning her successor.

With Lynda are her ladies-in-waiting, 17 year old grade 12 student Norma Christensen, left and Cathy McNiven, 15, a student in grade 10.

Miss Holm is in grade 11 and will be remembered as a contestant in the Milo Race Meet queen contest last year.

Judges for the contest were teachers Mrs. Russell Graham, Mrs. Garry Hill and Arnold Baxter who awarded the girls percentage points under the following categories: sale of queen tickets, academic ability, beauty and personality, school and extra-curricular activities and community activities.

Sponsored by County Central students union the auditorium was attractively decorated in a Valentine motif with the first names of the contestants in large figures along one wall. Music geared for the teen group and parents was supplied by the Swinging Bachelors from Calgary.

Winners of the queen ticket raffle were Mrs. D. Copeland of Carmangay who won an elec. blanket and Carol Sletto of Champion whose prize was an in-car warmer.

Slack In January

Recent Grain Shipments To Vancouver Accelerated But Still Cause For Worry

There is no backlog of wheat for export at Vancouver docks despite the doubling of arrivals of boxcars from the Prairies since the critical slack early in January. And there are still 21 waiting ships in the harbor, as against 20 a month ago, and demurrage is costing thousands of dollars.

This was the grain picture at the coast Tuesday of last week, according to a Vancouver newspaper clipping received from Floyd Atkinson of Vulcan, who is now holidaying at the west coast.

Last week as many as 700 boxcars a day were arriving, compared to an average of little more than 300 daily in early January, and the amount of grain in the elevators is about the same now as it was in early January. There remains considerable anxiety in grain circles, according to the newspaper, that Canada might find itself far behind in its grain commitments this crop year. There also was doubt that the railroads could maintain the substantial diversion of boxcars for the wheat rush, and that the 600 or more a day rate can't last.

Officials and shippers engaged in wheat transport were resentful of a remark made by Robert Emerson, president of Canadian Pacific, in a televised interview. Emerson

said ships were being brought in early and there was faulty scheduling.

An official explained the case is that ships are given a position, or place in line, in the order of their arrival. Because of earlier slow arrival of boxcars, there is no way to overcome the gap except with more wheat.

Blackie Hosts Annual High School Bonspiel

(By Blackie Correspondent)

Dave Groeneveld of Calgary won top honors in the High School bonspiel held here last weekend. Carol Bamford, Bob Foote and Janice Arthurs were the players on the Groeneveld rink. Second prize in the first event went to Rob Jones of Okotoks. Third to Craig Haga, Vulcan. Fourth to Allan Stier, Blackie.

The second event was won by Rick Bonitz, Linda Lee, Marie Filloff and Irene Lausen of Carleton Place. Second—Don Anderson, Blackie. Third—Barry Bricker, Blackie. Fourth—Roy Atkinson, Vulcan.

The third event was won by Kemis Wray, Carol Thurber, Danny Ellice and Dan Egeland of Blackie. Second in the third event was won by Mel Sparks of High River, Third—Bruce Boulton, Okotoks and Fourth—Gord Eagleson of High River.

County Meeting Sat., March 5th

County ratepayers are reminded that the annual meeting of the County of Vulcan No. 2 will be held this coming Saturday, March 5, at 1:30 p.m. in the auditorium of the County Central High School, Vulcan.

Discussion of school affairs will be the first item on the agenda and interested persons from the Town of Vulcan and the villages within the county whose school affairs are administered by the County.

Winners At Ladies' Auxiliary Card Party

The regular meeting of the Ladies Auxiliary to the Canadian Legion was held Feb. 16 at 8 p.m. with eight members present. Due to the small attendance at the bingos a discussion was held as to continuing them. Acceptance of associate members was also discussed.

Raffle tickets on a child's picnic table were given out to the members to be sold. A committee of ladies was named to run the bingo at the Peter Dawson Lodge, Feb. 23. A report on the card party held Feb. 11 was given. The winners were as follows:

Whist—Ladies' High, Mrs. Matlock, Sr.; Ladies' Low, Mrs. Giles; Men's High, Ruth Woodman; Men's Low, Alf Heather.

Bridge—Ladies' High, Olga Hess; Ladies' Low, Mrs. Marshall; Men's High, Larry Hagg; Men's Low, Mrs. Allan.

50th Anniversary Of Milt Moffatts

Many friends and relations extended congratulations to Mr. and Mrs. J. Milton Moffatt of 802, 14th Street S. Lethbridge, when they observed their 50th wedding anniversary, February 28.

Mrs. Moffatt was born at Debert, Nova Scotia and taught school in Medicine Hat and Champion.

Mr. Moffatt, who was born at Pilot Mound, Man., moved to Champion in 1911. The couple were married in Medicine Hat and until 1936 resided in Champion, where Mr. Moffatt was engaged in the hardware and machinery business.

After moving to Lethbridge from Champion Mr. Moffatt went into the insurance business. They have two children: a daughter, Mrs. W. A. (Mavis) Burton of West Vancouver; and a son, Eric, of Lethbridge. They have seven grandchildren.

As Mrs. Moffatt is in indifferent health, celebrations were confined to a family dinner to mark the occasion.

THE WORLD IS THEIRS?

Last year's graduating classes are still wondering what their commencement speaker had against them when he assured them that the world is theirs.

County Committees Meet

Lower Equalized Assessment Will Result In Big Saving To County

COUNTY COUNCIL

The regular February 1966 meeting of the Council of the County of Vulcan No. 2 was held on Friday, February 18. Reeve Jack Deitz presided, and Councillors F. E. Hubka, A. W. Ulrich, R. S. Irwin, Earl Erickson, A. McAllister, M. Willard, E. W. Prater and Donald A. McNiven were present. Also present at the meeting was D. D. McQueen, secretary-treasurer.

The secretary-treasurer read the official result of the by-election held in Division 9 to elect a councillor to succeed J. M. McKay who resigned. It was noted from the report that Edwin W. Prater had been elected by a vote of 74 to 27 for J. S. Dixon.

Mr. Prater subscribed to the Oath of Office and was seated as a member of the council. Mr. Deitz welcomed Mr. Prater to the council and hoped that he would enjoy the work of the council and wished him success in the future in this work.

A letter from Mr. Boe, the lessee of the N.E. 4-17-21-4, in respect to the establishment of a small community recreation ground on Lake McGregor, was read. The secretary also read a letter from the Department of Lands and Forests in respect to obtaining a lease which was available and a letter from the Prairie Farm Rehabilitation Office in respect to the establishment of a boat ramp and permission to use the right-of-way.

It was moved and carried that the county apply to the Provincial Government for a lease to establish this recreation area on the understanding that the local organization will look after the area and keep it clean, and if it is necessary for the county to improve the road, the local organization will provide a right-of-way.

The secretary-treasurer advised the council in respect to the E. R. Finckh Scholarship Fund and noted what had been done by the School Committee. This was given for the information of the councillors. Approval was given for the opening of a special Trust Account in the Treasury Branch and the manner of investing the funds in Alberta Municipal Finance Corporation Bonds was also approved.

The secretary-treasurer read a letter from the Alberta Equalization Assessment Board, and it was noted that the county's 1966 equalized assessment was now \$17,649,975, which is a decrease of approximately \$1,700,000 from the 1965 equalized assessment. It was also noted that the equalized assessment for 1966 is only about \$400,000 more than the actual assessment as shown by the new assessment which will be used in 1966. This difference is due to the weighting of the assessment to cover payments for Lands and Forests Grazing and other leases.

On the basis of the 1965 Foundation Program requisition rate and the Hospitalization Benefits Act requisition rate, a saving to the County of Vulcan in 1966 would be approximately \$50,000. The secretary-treasurer suggested that the new equalized assessment, should be appealed in order that the amount of reduction given by the Court of Revision, if any, be considered in the final figure.

A letter from D. E. Mills, Chief Provincial Assessor, in respect to obtaining a 25% grant on the cost of the new assessment, was read. The letter advised that it was the policy of the Department to make

these grants before the end of the present fiscal year which expires on March 31. The payment of the grant would depend on the fact that the council would pass a motion stating that the assessment is satisfactory.

It was moved and carried that the Council of the County of Vulcan No. 2 is satisfied with the work of the assessor and that the assessment is satisfactory to the county. Also that the secretary-treasurer be instructed to make application to the Department forthwith for the assessment grant.

It was also noted from Mr. Mill's letter that any future expenses subject to a grant could be applied for later on in the year.

The secretary-treasurer read a letter from Mrs. M. Smith, secretary-treasurer of the Alberta Association of Municipal Districts, in which it was stated that the Association had retained Dr. Hu Harries to prepare a brief on all aspects of assessment as it relates to rural property. The Association is asking for suggestions and co-operation with Dr. Harries in this work.

Comments by Mr. Kotkas, Assessor, were to the effect that the county would answer any questions from these people, but it would be difficult to imagine what suggestions one would make.

A letter from the Alberta Municipal Financing Corporation in respect to the Corporation's annual meeting was read. It was noted that the meeting would be held on Monday, April 4, at 10:00 o'clock in the forenoon in Room 328, Highways Building, Edmonton. It was moved and carried that the County of Vulcan appoint the secretary-treasurer, D. D. McQueen, as its representative to the

County Band Planning Busy Spring Season

After a fall season interrupted by late harvest, preparation of Christmas music and cancellation of some rehearsals during January due to the cold weather, the Vulcan County Band is now putting in long hard hours Monday nights preparing for its busiest spring and summer since its formation.

During March and April five band events are being planned although dates on all have not been confirmed as yet. The Junior Band begins the series this Sunday with their concert at the Hazel Cameron Elementary School auditorium. This is their annual public concert and about 30 junior members and a beginners group of nine will perform starting at 3:00 p.m. under band director Arthur D. McQueen.

In its efforts to play in nearby communities the band is hopeful of arranging the following dates: March 26 at Blackie, April 11 at Carmangay and April 13 at Lomond. Negotiations are also underway to have the Lord Strathcona Horse Band from Calgary at Vulcan, March 28. Date for the Vulcan appearance of the senior band have not been set yet but it will likely be late in the spring.

Linda Gay Flitton Here March 9th

The music of Mozart, Haydn, Debussy and Bizet will be on the concert program of Linda Gay Flitton when she appears at the Vulcan United Church, Wednesday, March 9.

This talented artist who has become familiar to Vulcan audiences through residence and participation in local programs in recent years, in this benefit performance, is appearing through the sponsorship of the Vulcan Couples Club and proceeds will go to the Memorial Piano Fund.

Among selections to be heard will be Alleluja by Mozart, Chanson Triste by Duparc, Beau Soir by Debussy and The Jewel Song by Gounod.

Two Irish traditional songs, one Spanish folk song and music from Broadway will be heard with other numbers during the second half of the program.

Accompanist for Miss Flitton will be Mrs. R. Thomson of Calgary.

Queen, as its representative to the Annual Meeting of the Alberta Municipal Financing Corporation and to vote on behalf of the County at such meeting.

It was moved and carried that Mr. Kotkas, Assessor, be authorized to assess the N.W. 11-17-17-4, S.W. 20-15-18-4, N.E. 29, N.W. 29, S.E. 29-15-18-4 and the N.E. 32-

15-18-4. These lands were inadvertently omitted from the regular assessment.

It was moved and carried that the county continue to pay its regular grant of \$300 per year to the Vulcan Ladies Rest Room, payments to be made quarterly.

Annual Meeting

Town Financial Statement Shows \$13,000 Deficit

The handful of ratepayers present at the annual meeting of the Town of Vulcan Monday evening had few comments or suggestions to make and the meeting was over in the record time of just one hour.

Former mayor M. R. Morrison acted as chairman and finance committee chairman C. E. Fulton summarized the receipts and payments in 1965. The town operated at a deficit of \$13,057 in 1965, reducing the accumulated surplus to \$47,678. A deficit of \$20,521 in the operation of the water-sewer system resulted in the \$13,000 loss in the over-all operations of the town.

A report given by Mayor G. C. Ness stated that the town is still attempting to get a reduction in natural gas rates. Railroad crossing lights were installed last year, with the town paying 12 1/2% of installation costs and half the cost of maintenance and the first phase in the program of converting all town street lights to the mercury vapor type was completed. A town planning program is being approached cautiously, with information on the experience of other towns being sought, before any definite step is taken. Firemen's pay was increased to \$3 for the first hour and \$2 for each additional hour spent fighting fires. Water arrears must be reduced and service will be discontinued if bills are over 60 days in arrears. The perennial problem of too many dogs running loose in town has eased considerably due to police action. Four new businesses were opened last year and several new homes completed.

The Health & Welfare and Civil Defence report given by Councillor J. M. Wolfe showed an expenditure of \$438 on welfare last year. Aid to unemployed in the amount of \$5,477 was refundable from the provincial government and other municipalities. There was no Civil Defence requisition in 1965.

The public works report by Councillor B. W. Banks showed that work was mostly of a routine nature, with total expenditures of \$20,137. The waterworks report, given by Mayor Ness for Councillor J. V. Christensen showed that 3,600 ft. of sewer and 3,400 ft. of water mains were installed, plus two fire hydrants. The new power rate negotiated with Calgary Power resulted in a saving to the town of \$800.

Councillor G. H. Richardson's parks, cemetery and rink report showed a \$200 profit on operation of the cemetery and a \$2,445 deficit on operation of the skating rink.

The fire and police report, presented by Councillor W. M. Giles, showed fire department expenditures of \$3,472, with receipts of \$234 from the Rural Fire Protection Association. Total expenditure of the police department amounted to \$10,853, with \$2,027 recovered as the town's share of fines levied.

Ratepayers made two suggestions to town council: 1) That action be taken regarding the weed situation at the Elks ball park, and 2) that the partial pavement from the lodge hall west be banned to heavy truck traffic during the spring thaw.

Filed Homestead Papers In 1906 Oldfields Celebrate 50th Anniversary

Greetings from far and near came to Mr. and Mrs. Wilson Oldfield on the occasion of their 50th wedding anniversary.

"Open house" was held on Sunday, Feb. 13, with friends from Vulcan and district, Mossleigh, Arrowwood, Queenstown, Milo, Lethbridge, Alton and Calgary calling at their home, to offer congratulations and good wishes. During the afternoon and evening, refreshments were served by the ladies of the Berrywater FWUA. Adding greatly to the pleasure of the occasion was the presence of Mrs. Robert Black of Toronto and Neil Campbell of Swinton Park, Ont., sister and brother of the bride, and Miss Isabella Turnbull of New Westminster, B.C.

Prior to this, a family dinner was held on Saturday, Feb. 12. Stuart Campbell, nephew of the bride, was master of ceremonies. A telegram was received from Mr. and Mrs. Mel Long and Mr. and Mrs. George Goheen of Dundalk, Ontario, and a phone call from Mr. Oldfield's nephew, Mr. and Mrs. Frank Meredith of Flesher-ton, Ont. Sandra Oldfield accompanied by Mrs. Nora Campbell contributed two solos. "It's a grand night for singing" and "Getting to know you."

The guest book was looked after by Jim Oldfield and Lynn and Bill Sharpe.

Wilson Oldfield was born at Corbetton, Ont. and his wife Isa Campbell at Swinton Park, Ont. They were married Feb. 12, 1916 at the home of the bride's parents, Mr. and Mrs. Donald Campbell, in High River, on Aug. 10, 1906

Wilson Oldfield filed on a home- stead. This land is in what was later Union Jack School district, 10 1/2 miles northeast of Vulcan. Isa Campbell came to the Berrywater district, where her brothers Herb, Will and Neil had homesteads, and taught in Berrywater School from April 1910 to Decem-

NITROGEN-PHOSPHOROUS FERTILIZER SUGGESTED

Farmers who would normally use a fertilizer with a high percentage of phosphorous on fallow land this spring should consider using a nitrogen-phosphorous fertilizer instead. This procedure will be more practical than waiting for the results of soil samples submitted for analysis after the snow goes.

According to A. W. Goettel, Supervisor of Soils with the provincial Department of Agriculture, soil samples taken from many areas of Alberta last fall showed that from one-half to two-thirds of the fallow land intended for spring planting is likely to require additional nitrogen. Many of the samples analyzed by the Soil Testing Laboratory showed a low to medium level of nitrogen.

Mr. Goettel points out that last summer's cool moist conditions were probably responsible for the low levels of available nitrogen on fallow land last fall. It is well known that the moisture content and temperature of the soil can greatly affect the release of nitrogen. Soil nitrates can also be lost through leaching but this is unlikely to have happened last year since soil tests indicate that the nitrates were not present even at depths of two feet.

Good fallow soils often have enough nitrogen and require only phosphorous. This spring, however, many farmers will have to apply about 20 pounds of nitrogen in addition to phosphorous. Some soils may even need as much as 30 pounds of nitrogen. Twenty pounds of elemental nitrogen can be supplied by applying 60 pounds of 33.5-0-0 per acre. One hundred pounds of 16-20-0 and 23-23-0 would supply 16 and 23 pounds of elemental nitrogen per acre respectively.

There are two meetings scheduled for next week in this County which will be of interest to farmers. On March 1 at 1:30 p.m. in the Lomond Community Hall, the first of two meetings on Estate Planning will be held. This meeting will cover Father-Son agreements, Leases and Rentals and Farm Incorporation. Then on March 3 and March 4, a two-day Beef Production School will be held at the Arrowwood Community Hall. We'll be starting at 10:00 a.m. and winding each day session up about 4:30 p.m. The main emphasis will be on reproduction and nutrition. This school at Arrowwood will be run as a workshop as much as possible, so a fellow will be actually taking part in some sessions, not just sitting.

There will be a one-day Water and Water Well Development school at Armada on March 10. I'll let you know more about that next week, when we have a few more details finalized.

News for Farmers From Beaver Lumber!

We can now offer you the popular all-purpose

RIGID FRAME BUILDING

in a variety of designs.

- SLANT WALL OR STRAIGHT WALL
- A CHOICE OF WALL HEIGHTS
- 2 DIFFERENT ROOF PITCHES

The rigid frame building is the most economical clear span building yet designed and the simplest to erect. Costs are as low as 78c per sq. ft.

Protect your investment in your machinery and equipment by storing it in a Rigid Frame Building. Call in at BEAVER and discuss your building plans for this year before the busy season starts. We can plan a building to suit your requirements and your budget.

No outside financing necessary at BEAVER — we have our own budget plan — BLACO (Beaver Lumber Acceptance Corp.), designed especially to suit your needs in buying materials. We can also include the labor and other costs of your project in our financing.

Just two examples—

32' wide x 48' long Rigid Frame with 8' Straight Side Wall, \$63.00 per month over 24 months.

32' wide x 48' long Rigid Frame with Sloped Side Wall, \$60.00 per month over 24 months.

— First payment deferred for six months —

The above includes bagged cement for footings and construction grade fir lumber and plywood.

FOOTNOTE:— The rigid frame building can now be designed attractively for community halls and other public buildings. Ask to see our illustrated book.

The councillors discussed at some length the amount of tenders received for the purchase of land as listed, and it was noted that in a large number of cases the amounts offered were disappointing and considerably less than three times the assessed value which governed the sale price of lands sold previously at private sales.

It was moved and carried unanimously that the reserve price on lands for sale be three times the new assessed value.

The secretary-treasurer was instructed to advise the lessees that they have an option to purchase the land at three times the assessed value in cases where there were no bids other than their own bid. In cases where there were bids in excess of their own bids, the lessee has the right to offer the amount of the highest bid and purchase the land, providing the highest bid is more than three times the new assessed value. In cases where the lessee decides not to purchase the land, the highest bidder may purchase, providing the bid is more than three times the new assessed value, and in other cases where the highest bidder fails to make the purchase, then the next highest bidder may be offered the right. Occupant has option to lease lands not sold.

At 2:30 in the afternoon, Mr. Smith of the Department of Public Welfare, accompanied by George Spence, Welfare Officer, Miss Marie Desharnais, Public Health Nurse, Leo Burton, Counsellor at County Central High School, and C. G. Ness, Mayor of the Town of Vulcan, were present and discussed the matter of the new concept of preventive welfare and social work. Mr. Smith, a senior official in the department, brought slides to illustrate his talk in respect to the organization and work which is being planned for the future. A new welfare act will be enacted and brought into effect on July 1. The government plans to make a grant of 50% or 80%, depending on the type of service given, for administration and other expenses in connection with the organization and supervision of welfare work. The end result is aimed at preventing welfare problems. The councillors were very interested in

Mr. Smith's talk and thanked him for coming to the meeting to explain the new proposals which would be given further study with a view to co-operating with the Town of Vulcan and village councils in the area to set up the organization to operate trained welfare service.

The secretary-treasurer referred a letter which had been written to F. S. Heckle offering her \$100 per acre for land required for a borrow pit for material to grade the road in the vicinity of the N.W. 20-18-26-4.

By-Law No. 514, a by-law to authorize the leasing of the N.W. 12 and the S.W. 13-17-21-4 to W. A. Stewart for a term of one year at a rental of one-third crop share, was introduced and read a first time. It was moved and carried that the by-law pass its first reading.

By-Law No. 514 was read a second time. It was moved and carried that the by-law pass its second reading.

By unanimous consent of the councillors present, By-Law No. 514 was read a third time. It was moved and carried that the by-law pass its third and final reading.

It was moved and carried that the following Farm Purchase Board Applications be approved

Filed Homestead

Gordon G. Petronech — S 1/2 22-14-22-4 from George Petronech.
Theodore F. Fedaj — S.W. 2-16-23-4 from Clyde C. Coe.
By-Law No. 515, a by-law to make appointments of Advisory Board Members of the Agricultural Committee and to authorize the payment of a per diem fee and mileage, was introduced and read a first time. It was moved and carried that the by-law pass its first reading.
By-Law No. 515 was read a second time. It was moved and carried that the by-law pass its second reading.
By unanimous consent of the councillors present, By-Law No. 515 was read a third time. It was moved and carried that the by-law pass its third and final reading.
NOTE:— Due to shortage of space this week, the balance of the minutes of the last county committee meetings have had to be held over until next week.

See those giant wide doors? Handi-Van is easy to load and unload. Two curbside doors may be specified, and then there are a number of extra window combinations available.

Handi-Van can turn in a 35.5 foot circle. Lets you scout out of packed traffic and deliver your goods where and when you promised.

Look at all the space. Handi-Van measures 211 cu. ft. inside. That will hold up to a ton of payload. Loadspace length from engine housing back is over 92 inches.

The engine is a 120-hp engineering gem. And if you want more muscle, you can specify a 140-hp workhorse. Powerglide is available too.

The metal floor is built to shrug off abuse from 'most any kind of load. In fact, it's a heavy duty floor at no extra cost.

Handi-Van's body and frame are unitized. And the heavy-gauge steel has extra resistance to corrosion, giving you longer service.

**You can see how great Handi-Van is from the back.
But the most important thing is on the front.**

It's that GMC nameplate that makes the difference. Not the plate itself of course, but what it represents. GMC has a reputation for Engineering Leadership. For instance: realizing most Handi-Vans would be city-operated and subject to road moisture and salt, GMC engineers started at the bottom. Sheet metal in exposed

areas is first galvanized, then covered with aluminum paint, phosphated... then, after all that, undercoated! No wonder Handi-Van stands up so well under the worst a Canadian winter has to offer. And no wonder GMC has earned that reputation for leadership. When you're thinking vans—think Handi-Van by GMC.

Be sure to watch "Telescope," "The Fugitive" and "The Red Skelton Hour" now showing on television. Check local listings for time and channel.

LETTERS TO THE EDITOR

Carmangay,
Feb. 12, 1966

Dear Sir:

On Feb. 9th about 30 or 40 people attended the Hospital Board meeting at Carmangay, most of them with open minds, desiring to hear all the facts concerning the dismissal of a general duty nurse who has served the community for over 25 years. This was not an organized group of people at all, just interested tax payers who wanted to find out for themselves what was going on.

The nurse in question attended, accompanied by a representative from the Alberta Association of Registered Nurses who came from Edmonton to attend the meeting and investigate the situation.

At first the chairman of the board expressed surprise at the large number of people who had attended the meeting and suggested that one member from each group should be appointed as spokesman and go into the meeting one at a time and later report back to his group. This was impossible as the people were there individually and not in groups and all wanted to hear the facts. After considerable delay and at the suggestion of someone in the crowd the meeting was moved into the nurses' lounge where there was more room. We had hoped to hear the reading of the last minutes but this was denied us. It is my opinion and that of others who attended that the board was reluctant to meet with us at all.

The nurse and the representative from Edmonton expressed a firm request that all the people be allowed to hear what she had to say, because she said that all that she had to tell would be the truth and that she had nothing to hide. When finally allowed to speak (remember that this nurse has been trying since her dismissal to get a hearing from the board and up to this time it had been denied her and she had been told by the chairman that he couldn't get one member to attend) anyway when she did get a chance to speak she gave a clear detailed account of events and explained how she had not sought the position as Matron in the first place but how the chairman of the board had coaxed and encouraged her to take the position and that she had finally accepted it with the stipulation that at the end of three months if she and the Board were not mutually satisfied she could go back to her former position as O.R. nurse.

We also learned that after a young man was hired as Secretary-Treasurer she had some trouble with him concerning nurses who went to him with their troubles, etc. and she asked him in the future that if this occurred would he kindly refer them back to her as this was under her jurisdiction. He resented any suggestions she made to him. She felt that he wanted her job as Administrator and while she was on holidays a meeting took place and she was informed when she returned that this young, inexperienced, untrained young man was to replace her as Administrator.

The chairman of the board explained that it was something that is gradually being done, replacing the nurse administrator with a secretary administrator and it has been found to be satisfactory. This may be but I can not see how a youngster with no training in hos-

pital administration, his only job was a bank clerk previous to this, could possibly be better equipped for this position than the matron administrator who had done so much to put the hospital back on an even keel. If they felt they wanted to change why did they not advertise for a qualified person to take over from her?

When he took over as Administrator she would be demoted to Nursing Director. She was not agreeable to this and I do not believe any more was said about her being able to return to her former post as O.R. nurse. She applied for a position as general duty nurse and was accepted. She stated that she was very happy in this capacity for the time that she was allowed to serve. We also learned that when she was Matron most of the staff was very co-operative with the exception of one nurse who showed open resentment and open rebellion at every turn. The nurse in question was given permission by the chairman of the board to dismiss that nurse but refused to do so out of compassion and the hope that she could somehow win her back to a loyal and co-operative position on the staff. She was unable to achieve this in spite of her efforts to do so.

It was of much interest to the crowd in that all statements and accusations made by this nurse must have been the truth since not one board member chose to dispute what she said.

The nurse read a letter from the board, in which they thanked her for the wonderful work she had done for the hospital and the excellent way she performed her duties while Matron . . . and yet four months later they fired her and called her a trouble-maker . . . The chairman himself called her a wonderfully capable and dedicated nurse and said they would be glad to give her a good reference . . . but they fired her . . . Why?

At least one board member has been quoted as saying, since the meeting of Feb. 9th, that this nurse held the floor so long that the Board did not get a chance to state their case and side of the story . . . This is ridiculous. People who were there begged for an explanation of the trouble-maker statement. The board was asked repeatedly to please explain how she was a trouble maker . . . asked to give one instance of it . . . they were asked politely by the people and were given all the time in the world to answer . . . Not one member of the board could or would tell us.

The chairman of the board stated that they had received four resignations, three letters and one verbal. It was asked if that now that Mrs. M. had been fired were these four nurses staying. The answer was no they are not. Many people know for a fact that one nurse left because she got married and two more had said when they first came that they would be leaving no later than the end of February. The fourth resignation was verbal and issued by the nurse who had been so unco-operative during Mrs. M.'s period as Matron. She is still working.

People seemed to get rather fed up by not being able to get any concrete facts about the case and the board had been treated with all politeness by these same people and could get nowhere. One gentleman summed it up at the end of the meeting when he told the

board they had acted too hastily and it was too bad they couldn't have shed more light on the subject to clear up the confusion and then he turned to Mrs. M. and gently but firmly said "Mrs. M. I would still like to give you my vote of confidence." This statement was given a round of applause by all present.

One nurse who was present had several phone calls by supposedly board supporters telling her she had better keep her nose out of it that it did not concern her . . . I think it concerns every nurse, this could happen to them.

Many statements have been flying around and one lady contacted the MLA and asked him to find some answers. He got in touch with Edmonton and got answers to the questions. Is the Hospital to close in a few months? Answer, No. Did Edmonton suggest firing this lady? Answer, No. The MLA's letter was read to the people at the meeting.

Mrs. M. also mentioned that on the day this young newly appointed Administrator and former secretary fired her she accused him of being after her job from the very beginning and he said to her, well you have to admit the pay on the other job was not so hot . . . or words to that effect.

The young man was in the room and did not deny this statement so we can only assume that he did indeed say this.

At one point in the meeting some Board members seemed unwilling to hear anymore and three board members and the young newly appointed administrator hurried from the room.

A gentleman in the crowd jumped to his feet and suggested that since the representative from the AARN had come so far surely it was only common courtesy to hear what she had to say. The chairman of the board asked the others to return and they rather shamefacedly did so. Everyone had been polite, there was no reason for their behavior.

The nurse from AARN could see no reason for the dismissal and she suggested arbitration and the dismissed nurse agreed to this and said she would abide by their decision, the Board however would not agree to this without a meeting and we are still awaiting their

decision on the matter. The representative from Edmonton also had in her possession a letter from a doctor who stated that he could find no fault with the nurse and would recommend her highly for any position she should care to apply for. This doctor said he was shocked and saddened at the events and that she would be missed by all.

The chairman of the board also stated how highly he regarded her nursing skills and praised her nursing abilities "from the bottom of his heart."

But still this fine nurse who has done so much for the hospital and patients was ruthlessly fired without any explanation . . . Why? We all tried to find out. Eight nurses, all of whom have worked under this nurse when she was matron and beside her on general duty were present and all gave her full support as a nurse and stated that they had no trouble getting along with her, one nurse was present who had been her superior at one time and she praised her highly. Community people stated that they could never say that in her work in the community had she ever been a trouble-maker and it was during one such short testimonial that two of the board members who had been so quiet when they had been asked to speak were busy whispering to each other at intervals and one was overheard to remark that, she was just another Mormon talking (or words to that effect) much to the amusement of the other board member.

They were given so many chances to explain but instead chose to sit like a group of silent kindergarten children who know they have made a mistake but can not at the moment think of an excuse for it.

We are all still as much in the

dark as ever as to why this community is to be deprived of the services of this fine nurse and why she has been treated in this way unless it is for some personal grudge and if this is the case anyone who brings personal feelings into it should not be sitting on any Board.

At the close of her speech Mrs. M. stated very simply and humbly that she was not asking the people to judge her. "I have my own judge" she said.

I would like to state that the Board also has their own judge and I can not help but wonder what shall the judgement be? And when?

Yours very truly;
—Mrs. Barbara Hwozdecki

NOTICE

IN THE MATTER of the plebiscite required to be held in connection with the plan to establish an Alberta Broiler Marketing Board.

Every producer who marketed a minimum of 2,000 broilers through commercial channels during the twelve month period from July 1, 1964 to June 30, 1965 is eligible to vote.

New producers will not be eligible to vote unless they had started construction on production facilities prior to June 1, 1965, and the first crop of broilers was marketed from such facilities prior to August 31, 1965.

Every producer who is eligible to vote and who has not already registered, must register if he desires to vote as set out in Order In Council 296/66. Registration forms are available at any District Agriculturist's office or from the office of the Marketing Council and must be in the hands of the Returning Officer by March 18, 1966.

MILO

Mr. and Mrs. C. L. Beckner were business visitors at High River and Calgary on Wednesday.

Two rinks are attending the Ladies bonspiel at Lethbridge this week. The rinks consist of Bea Thomson, Alyce Bartsch, Marj Marks and Ruth Byers and Maxine Deitz, Harriet Deitz, Ethel Heather and Phyllis Gore.

The 11-and-under hockey team played a girls' team on Thursday night which caused many laughs. A good crowd attended the game which ended by a score of 7 plus to 0 in favor of the boys. Several penalties were called against the boys which the boys didn't agree were penalties.

Brenda Heather is staying with her aunt Mrs. Doris Clements while her mother is away curling.

Hirst Goldthorpe and Mrs. Oscar Bucher of Warburg visited at the J. R. Goldthorpe home on Friday. Hirst was an overnight guest at the Ken Stumpf home, while Mrs. Bucher will be spending several days with her brother.

Mr. and Mrs. Bob Bertrand and Mr. and Mrs. Lewis Ivers returned home on Friday from their holiday at Hawaii.

Mr. and Mrs. Ken Stumpf, Doug and Letty Lynn accompanied by Steve Hermann motored to Bentley on Saturday where they attended the Midget C hockey game. Lomond were badly defeated by a score of 18-2. Doug Stumpf played with the Lomond team and scored both goals for Lomond.

On Sunday Bentley returned the game when they visited Lomond and again defeated them by a score of 12-4. Doug Stumpf scored three goals. Several people from the district attended the game.

The fisherman's bonspiel gets underway on Monday morning.

Mr. and Mrs. Joe Bell of Calgary visited at the J. R. Gold-

thorpe home on Sunday.

The bingo club was sponsored by the Lions Club was well attended on Saturday night. Mrs. George Nelson was the lucky winner of the door prize while Mrs. M. Handford of Milo and Mrs. Roy King of Arrowwood were the winners of the blackout bingo which were 35 mm. cameras and projectors.

Congratulations to the girls and boys basketball teams on winning the trophies at the basketball tournament held at Vulcan on Saturday.

Sunday guests at the W. Nyman home were Mr. and Mrs. L. Grant and son of Lethbridge.

TRAVERS

— AUDITOR'S REPORT —

I have examined the balance sheet of the Vulcan Municipal Hospital District No. 19 as at 31 December 1965, the statement of revenue fund income and the statement of revenue fund expense for the year ended on that date, and the supporting statements including the supplementary detail of earnings from services to patients, the supplementary details of revenue fund expense, and the statement of revenue fund balance. My examination included a general review of the accounting procedures and such tests of the accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion, the accompanying balance sheets and statement of income, expense and surplus present fairly the financial position of the hospital as at 31 December 1965 and the results of its financial operations for the year ended on that date, as determined in accordance with generally accepted accounting principles.

REPORT FROM EDMONTON

by J. WALLY STRANG
The third session of the 15th legislature is now on its way... and like most other legislature openings, this one was filled with pomp and pageantry... and no surprises. In fact almost without exception nothing was included in the Speech from the Throne that had not been guessed by the press row. About the biggest news to come out of the buildings, and it somewhat overshadowed the opening, was the government's decision

to build a new residence for the Lieut. Governor and at the same time restore the old Government house.

The Speech from the Throne was done exceptionally well, Mr. McEwan only faltered once and there was no excuse for anybody not to hear him. As usual the House was packed to capacity with dignitaries and up in the opposition's gallery the leader of the Provincial Conservatives, Peter Loughheed, watched intently.

I am afraid Mr. Loughheed showed all the signs of a GREEN politician when, not five minutes after the House adjourned, he headed for the press gallery to make a statement on the speech. How anybody, without looking over the printed copy and without knowing what has gone on in the past can make a statement on a half-hour speech is beyond most of us. It may be fair to note that out of 20 to 25 newsmen present, Mr. Loughheed only managed to get two reporters to listen to his tale of woe.

At any rate we are now off to the races and six weeks of legislation. During the sessions this writer will bring readers, off the cuff observations and comments from the various representative MLAs from the different ridings.

THIS HOUR NEARS

The story is that the CBC show, This Hour Has Seven Days will break with the Alberta version this Sunday... The first week is expected to be a soft hitting effort, attempting to show irregular government practices. They tell me the following week they are going to get into the meat of the story and tell of criminal acts by Albertans who are still free as the wind. We'll see.

OPENING DAY OBSERVATIONS

Liberal Bill Dickie of Calgary, wore a "red dickie" to the opening. Former Lieut. Governor, J. Percy Page looked much relaxed sitting three rows back, behind the supreme court judges. Minister of Municipal Affairs, Alf Hooke looks five years younger and the Premier looked tired. Liberal leader Mike Macagnio, friendlier than ever with the Socreds.

BRIEF ITEMS OF LOCAL INTEREST

Gordon Chapman, presiding minister of the Vulcan Congregation of Jehovah's Witnesses, reported that the entire congregation will be present in Taber for a three-day convention of Jehovah's Witnesses. "Our group will be among the 600 delegates expected from the 13 congregations in Southern Alberta," Mr. Chapman said. "We are looking forward to fellowship with others of like faith and receiving Bible instruction, so necessary in these troubled times today." The main speaker, Alex M. Didur, will highlight the convention by discussing the subject, "Does God Have Influence in this Twentieth Century?"

Mrs. K. Wiersma had a pleasant surprise Sunday when her two eldest grandsons from Williams Lake, Larry Grimsrud and Albert Poxton stayed overnight with her. They were en route to Coleman. Mr. and Mrs. Don Walker and small daughter of Calgary visited at the Buford Walker and P. G. Lucas homes on Friday.

Sympathy is extended to Ray Wellman on the death of his father, Edward Wellman, at Okotoks, February 26. The Wellmans attended funeral rites on Tuesday, at High River.

Mrs. Margaret Gilroy of Calgary and Mrs. Merv McIntyre of Billings, Mont. were weekend guests at the LaRoche and Sales homes. On Sunday they motored to Calgary with Mr. and Mrs. D. McQueen.

Friends of Mrs. O. B. Roe will regret to learn that she is presently a patient at the Vulcan hospital.

Mrs. George Sandberg was a Calgary visitor on Friday.

Mrs. Earl Deal and Mrs. C. L. Kuykendall of the Reid Hill W.I. branch; Mrs. Fred Gottenberg, Mrs. Orville Roe and Mrs. Budd Andrews of the Thigh Hill branch attended the Women's Institute Constituency Conference in Calgary last week.

Congratulations are being received by Dr. and Mrs. K. Orchard on the recent birth of a son at the local hospital.

Mr. and Mrs. Buford Walker motored to Lethbridge on Sunday, where they visited with the latter's brother, Trig Thompson at St. Michael's Hospital.

Mr. and Mrs. C. Gay were Calgary visitors at the weekend.

On Saturday evening Mr. and Mrs. P. G. Lucas and Mr. and Mrs. Gerry Ness were guests of the Lethbridge Flying Club, at its annual Wings Parade held at the Park Plaza Hotel.

Friends of Dr. George Carson, Vulcan's first doctor, will be interested to know that he is now residing at the Southwood Nursing Home, off the Macleod Trail, in Calgary and would be happy to welcome any of his friends who would care to call.

Mr. and Mrs. Jim Clark spent the weekend in Edmonton at the home of their son and daughter-in-law, Mr. and Mrs. Dale Clark.

Mr. and Mrs. Dave Hamilton visited briefly at the Roy Fulton home at the weekend, while they were en route to their home in Calgary after a holiday spent at U.S. points.

Mr. and Mrs. E. G. McPherson spent Tuesday in Calgary.

Sympathy is extended to Mrs. Bud Haverty in the death of her brother, Harvey Spears at Shaunavon, Sask. The Havertys motored to the Saskatchewan town to attend the funeral services. During their absence their daughter, Mrs. Doug Davies and children are caring for the Haverty home.

Mr. and Mrs. Dave Schierman and family were Wetaskiwin visitors at the weekend and went on to Edmonton, where they attended the golden wedding anniversary of their uncle and aunt, Mr. and Mrs. John Minchau.

Mr. and Mrs. Larry Janz and family, missionary candidates for Austria, were weekend visitors at the home of the former's uncle and aunt, Mr. and Mrs. Clarence Pribe.

WEDDING ANNOUNCEMENT

Mr. and Mrs. Roy G. Abel announce the engagement of their daughter Lillian Helen to Ben D. Kobi, son of Mr. and Mrs. M. E. Kobi of Byemoore, Alta. The wedding will take place on Saturday, March 19, 1966, at 3:30 o'clock at Christ Chapel, Gaetz Memorial United Church, Red Deer, Alta. 30-1nx

E. S. MacGregor of Calgary was a recent guest for several days at the home of his son-in-law and daughter, Mr. and Mrs. Don Jantzie.

Among those from Vulcan who attended the golden wedding of Mr. and Mrs. Dwight Richards of Arrowwood on Sunday were: Mrs. Etta Hill, Mr. and Mrs. Bob Todd, Mr. and Mrs. N. Dumka, Mrs. Tabor and Mr. and Mrs. Wilson Oldfield.

Mr. and Mrs. Roy Fulton left on Tuesday for Flaxcombe, Sask., for a short visit.
